Washington, D. C. 20505

30 October 1984

STAT

We have received a lot of strong applications for our History Staff opening, and I have to report that your qualifications do not match our needs as closely as do those of several of our other candidates. I shall enclose the vita, writing samples and other documents that you sent with your letter of application.

I am grateful for your interest, and sorry that we cannot consider you further for a History Staff position.

With all good wishes,

Yours sincerely,

STAT

J. Kenneth McDonald
Chief Historian
